

The Regulatory Authority of Bermuda invites applications for the role of **Legal Advisor**. Reporting to the Chief Executive and working closely with the existing Legal Advisor and Senior Management, this position provides the opportunity to work in a challenging and expanding legal environment, with career development opportunity and exposure to high level decision making and formal procedures within the Regulatory Authority, including at Board level. The Legal Advisor will provide legal assistance in support of the Regulatory Authority's responsibilities in the telecommunications and electricity sectors. Candidates should be proficient lawyers who are able to think and work laterally and innovatively in new areas of regulation within sectors that are vital to the future of Bermuda.

Key Duties and Responsibilities:

As required, provide legal support in the following areas:

- Provide high level legal advice to the Chief Executive and the Board on the direction, format and content of formal Regulatory Authority decisions, consultations and orders.
- Draft and produce key Regulatory Authority documents including decisions, consultations and orders.
- Liaise with external legal counsel and consultants on key Regulatory Authority projects
- Be part of the Regulatory Authority team that liaises with relevant Government Departments and Ministries in the areas of existing and new legislation.
- Working closely with the Chief Executive to facilitate a cohesive and integrated approach to the Authority's operations and the ultimate fulfilment of the strategic objectives of the organisation.

Minimum Qualifications, Experience and Skills:

- Law degree and active member of the Bermuda Bar Association
- Self- motivated and has worked in interesting and challenging legal areas.
- Very strong analytical and report writing skills coupled with an excellent command of verbal and written English.
- Ability to carry out analytical and research work and to evaluate, assimilate and report on findings.
- Proficiency in the use of MS Office
- Ability to work as a member of a team.
- Not essential, but experience in the sectors falling under the remit of the Authority, electronic communications and/or electricity, would be useful.
