

The Regulatory Authority of Bermuda (the “Authority”) invites applications for the role of **Legal Advisor**. Reporting to the Senior Legal Advisor and working closely with Senior Management, this position provides the opportunity to work in a challenging and expanding legal environment, with significant career development opportunity. The Legal Advisor will provide legal assistance in support of the Authority’s responsibilities in the regulated sectors of electronic communications and electricity.

Key Duties and Responsibilities:

- As required, and under the direction of the Senior Legal Advisor, provides legal support in the following areas:
- Assisting with development and implementation of new regulatory frameworks, including for new sectors.
- Drafting and reviewing regulatory documents, including consultations, decisions, orders and general determinations
- Drafting and reviewing legal documents, including to support the operations of the Authority, including such as procurement and human resources
- Drafting and reviewing correspondence, including drafting legal correspondence and reviewing correspondence from other functions
- Assisting in the effective implementation and enforcement of competition cases as directed
- Maintaining awareness and working knowledge of the Authority’s projects and initiatives in order to assist with facilitating a cohesive and integrated approach in the Authority’s operations and the ultimate fulfilment of the strategic objectives of the Authority
- Conducting legal and regulatory research as required
- Maintaining a strategic understanding of regulated industry sectors and relevant legislation, including to ensure Regulatory Authority compliance with relevant legislation
- Assisting with any civil or criminal litigation actions involving the Authority, as required
- Leading and/or supporting other regulatory duties of the Authority, such as change of control reviews
- Ad hoc duties as assigned by Management

Minimum Qualifications, Experience and Skills:

- Law degree and active member of the Bermuda Bar Association
- Self-motivated with a strategic approach to the creation and implementation of regulation in sectors that are essential to the Bermuda economy
- Solid analytical and report writing skills coupled with an excellent command of verbal and written English.
- Ability to carry out analytical and research work and to evaluate, assimilate and report on findings.
- Proficiency in the use of MS Office
- Ability to work as a member of a team.
- Not essential, but experience in the sectors falling under the remit of the Authority, electronic communications and/or electricity, would be useful.
