

Michael Wells
Chief Technology Officer
Regulatory Authority

Dear Mr. Wells,

Telecom Networks Limited respectfully requests the following numbers for use on its network.

The numbers we would like to use are;

1-441-82x-xxxx

Excluding (824-xxxx) which has been given to BTC

1-441-83x-xxxx

1-441-89x-xxxx

We respectfully request that we receive these numbers as direct connections from the upstream provider and that we receive the numbers as SIP connections if possible.

Sincerely,

Jamie Thain
CTO East End Group
