

Expression of Interest 2015 Market Review

The Regulatory Authority of Bermuda (“**Authority**”) is seeking to appoint experienced and qualified persons to advise it in a comprehensive review of the electronic communications market in Bermuda.

The goal of the assignment is to ensure that the Authority’s regulation of the relevant electronic communication markets in Bermuda is, and remains, adequate in light of evolving market conditions with particular emphasis on considering whether, and to what extent, the markets currently in place remain relevant or need to be reduced.

The chosen consultants must have demonstrable experience in the areas of electronic communications regulation, economics and regulatory law. The chosen consultant should also have experience carrying out similar projects in similar small island jurisdictions.

Specific Consultant Requirements

The chosen consultant must;

1. Have experience and show previous performance in jurisdictions of similar size and market;
2. Be willing and able to work within fixed budget parameters;
3. Demonstrate the ability to work within a team. There will be the requirement to work with other consultants and Regulatory Authority team members;
4. Develop creative solutions to market challenges and market opportunities;
5. Be prepared to utilize Bermudian firms for outsourcing if required, i.e. legal, accounting, technical etc.;
6. Be able to complete the assignment with minimal travel; and
7. Be available to complete the assignment within a strict time period.
