**Re: Publication of Draft Access and Interconnection Agreement**

Dear ICOL Holders:

Pursuant to the Order of the Regulatory Authority (the "RA") effective 28 August 2013 (the "Order"), and subsequent communications with the RA, we write to inform you that The Bermuda Telephone Company's draft Access and Interconnection Agreement is available for download on our website.

If you visit our website at [www.btc.bm](http://www.btc.bm), the form is located under the Legal tab located on the top right hand side of the home page or the following link can be used.

All comments and queries can be sent by email to: [wholesale@btc.bm](mailto:wholesale@btc.bm)

Access seekers have 10 calendar days to provide comments on any material concerns, as set out in the Order.

While we have email addresses for some ICOL holders, we do not have them for all. We have therefore written to your postal addresses as provided on the RA's website.

A copy of this letter and the draft agreement are being provided by email to those ICOL holders whose CEO email addresses are known to us. Copies will also be provided to the Regulatory Authority.
