ICOL HOLDERS

Dear ICOL Holders,

**Re: Spectrum Efficiency and Usage Self-Assessments two week extension request**

As you are aware, on October 7, 2013 the Regulatory Authority (RA) published its Spectrum Efficiency and Usage Self-Assessments (SEUSA) Notice and Information Request Matter: SC-1222/2013. This notice had a response due date of October 29, 2013.

The RA would like to inform all parties that a request has been made to the RA for a time extension of two additional weeks after the due date of October 29, 2013 in order for them to gather further 3<sup>rd</sup> party information to support their submission. Given this request, the RA has agreed and hereby grants an extension to November 10, 2013 for **third party supporting information ONLY**.

The RA expects that all of the information requested in the original SEUSA Notice dated October 7, 2013, be submitted by the October 29, 2013 date (specifically Section **3.3 Information Required from Selected ICOL Holders**) and Section **(3.4 Affirmation by Board of ICOL Holders)**. Additional 3<sup>rd</sup> party support information may be submitted by November 10, 2013.

If there is further clarification required, please contact Michael Wells or Philip Micallef.

Yours Sincerely,

Michael Wells  
Chief Technical Office
